WORK EXPERIENCE

Elena Velez - Studio Assistant

Aug - Sept 2023 Brooklyn, NY

- Designed and created a bag for Spring 24 collection
- Created mood boards and sketches to present to Elena
- Patterned and sewed garments from sketches
- Collaborated with my team to problem solve issues with garments designs and fit
- Assisted in dressing and styling garments backstage

Steve Madden - Anne Klein Handbag Design Intern

June - Aug 2023 New York, NY

- Produced CAD drawings utilizing Illustrator
- Applied designs to SPEC packs and communicated with factories to create accurate products
- Designed small leather goods that fit the needs of Anne Klein customers
- Created scarf designs and assisted with line sheet for the Anne Klein accessories team
- Researched handbag/accessories trends and applied it to leather and scarf designs
- Curated mood boards with Photoshop and Illustrator
- Looked over samples and ensured quality was upheld

Cuddigan Leather - Handbag Design Intern

May - Sept 2022 Maple Lake, MN

- Learned the design, prototyping, and bag making process
- Gained proficiency in leather sewing, finishing, leather types, and hardware selection
- Acquire the knowledge of accessory pattern making and laser cutting for precise and consistent pieces
- Created handbag and small leather goods CAD drawings utilizing Illustrator
- Researched trends online and in-stores
- Applied research to handbag and small leather goods designs
- Grew the understanding of the product lifecycle in a small business

UW-Stout, Fashion & Retail - Program Assistant

Sept 2022- May 2024 (Seasonal) Menomonie, WI

- Assisted the Program Director and other professors to maintain efficiency in the program
- Collaborated with superiors to fulfill program needs
- Updated LinkedIn and distribute program information to students and faculty via Outlook
- Presented to perspective student, other schools, and industry professionals about personal work and the program
